**COASTAL TRADING &  
ENGINEERING WLL**

At **Coastal Qatar**, we have always been about constantly taking on engineering challenges and pushing the boundaries of engineering innovation. What began in the 1970s soon established itself as a brand that is synonymous with successful integration capabilities; both forward and backward, and expertise that allows for holistic delivery and partnership with a prestigious project on our hands. A bold transition to what we are today, the Integrated Engineering Specialists believe in "**Doing it right, the first time and Every time.**" It's simply our commitment to deliver excellence and incorporate passion into all that we do, taking pride in having a free and open structure that inspires trust. Ours is a diverse, multicultural group of professionals driven towards accelerated growth while being completely ethical by looking forward to building enduring relationships and tackling new challenges because that is who we are. **The Challengers.**

COASTAL

# Products

## Traffic Signs

At Coastal, we strictly abide with Specifications of Qatar Construction Standards 2014 and Qatar Traffic Control Manual 2015. Being an approved manufacturer of Ashghal and authorized applicator of both 3M and Avery Dennison, quality and performance of our signage products are persistently achieved. Our state of the art production facility is equipped with advanced technology and machines for the production of high quality and durable traffic signages. We offer entire category of traffic signs including Regulatory Signs, Warning Signs and Informative Signs.

## Retractable Road Signs and Traffic Bollards

Augustaflex Traffic Technology Retractable sign posts and bollards introduced in exclusive partnership with Saedi Technical Solutions which complies with CE EN 12899-1 Standard. The most innovative technology used in this road signs and flexible bollards protect the structure against damages resulting from vehicle impacts, accidents, incorrect manoeuvres and distracted drivers. In event of collision, the structure flexes upto 90° and return back instantly after the impact.

## Directional Signage

Our directions signages are made from best quality branded materials including 3M, Avery Dennison and Metamark. Ground Mounted direction signs are placed on aluminum sheets backed with aluminum extruded rails and fixed with steel pipes as per Ashghal Standards.

### Internal And External Signs

Whether internal or external, we offer competitive, attractive and compatible signs to specific requirements of our clients.

### Banners And Wall Stickers

We provide customized banners and wall stickers which is elegant and cost effective. The design and texture with vibrant colors correlate with the event or purpose of such signages.

## Vehicle Branding

It is the most cost effective way of advertising your business, but targeting a wide range of audience regardless of gender, age, income, culture etc. It provides notable local advertising and in addition provide advertising for your business wherever demographic locations the vehicle reaches. At Coastal Qatar we use top quality raw materials, processing on precise machines, using premium inks and installation by professional team to benefit our Clientele with durability on the branding stickers they did with us.

## Canvas And Printed Fabrics

Be it indoor or outdoor application, be it standard size or custom made sizes, be it on polyester, canvas or vinyl, we at Coastal Qatar can design and print eye catching fabric banners for your next event. Our printed fabrics are made from top quality raw materials, processed through most modern equipment's which is perfect for in store displays, exhibitions, industrial shows and more array of applications.

## Roll-up And Pop-up Signs

To ensure your advertisement is of the best quality, we provide our clients with the best roll-ups and pop-up signs with high-quality colors.
